## UberEATS' First Birthday

Food bloggers, publicists, reality TV contestants and UberEATS restaurant and delivery partners shared space around a lavish Tiffany Keal Creative Studio grazing table to celebrate the food delivery partner's first birthday in Perth. About 350 people dined on delicious fare including sliders from Varsity Burgers, desserts from a wall of MOP donuts and the stand-out dish of the event, kingfish poke bowls from Hoki Poke. No one went thirsty with beverages including wine from Castelli Estate, ROK Margaret River kombucha and Cocktail Gastronomy working their magic.
